THE REHAB SUITE

WHO WE ARE

The Rehab Suite is a Convalescent Care Facility and a subsidiary of HealthCare Barbados. Health Care Barbados is a facility with over 20 years in the business of finding and creating solutions for persons requiring care and rehabilitation services after illness or accidents.

We understand health care and its requirements.
We understand what is available and what is not.
We understand trauma and what is required when you need it.

WHAT WE OFFER

The Rehab Suite was designed primarily for persons requiring Short term Convalescent Care as a service of HCB.

If you have had an accident, immobile or incapacitated and require a facility with the comfort for your recovery, then **the Rehab Suite is the place for you.**

Our Care Facility is equipped with Wheelchair Access, Pick up and Delivery Services, Nursing Care Home Services, Meal Provision, On-site Physiotherapy, Diagnostic Services, Wet Shower with Wheelchair Access, Massage Therapy, Safe and Secure Facility with Doctor on call, Blood Pressure Monitoring, and more, Entry and Exit Electronic Bio Sensors, Local Land Line Telephone,, Wi-Fi, 50" TV.

The Rehab Suite is by appointment only and can accommodate the patient, a care-giver and or one family member.
Visitors are allowed until 9.00pm.

The Rehab suite offers accommodation which is designed to provide a calm, serene and undisturbed experience by ensuring a relaxing and peaceful time throughout the patient's recovery. We therefore expect and encourage visitors to the Suite to respect the ambience and quiet surroundings. The Suite facilitates access to ambulance and other emergency personnel.

Call and enquire today about our convalescing and rehab services and let's get you back out to work, school or play.
